PROFILE

I have passion for new designs and technologies. I am willing to learn new techniques and show my ability to work under pressure to deliver on company targets. I am looking to bring my skill as a developer to solve problems in the most effective way.

EXPERIENCE

Android Developer | VATNOW

12/2020 - 01/2021, Ho Chi Minh City

- Working with Kotlin and collaborating with senior developers to set up a new feature for an application.
- Discussing problems with co-workers and presenting a new idea to get a better solution.

Web Developer | WHAMMY TECH

6/2022 - Present, Ho Chi Minh City

- Collaborating with experience team and approaching new technologies.
- Having great opportunity in learning project management.

EDUCATION

Bachelor's Degree | Ton Duc Thang University

08/2018 - Present, Ho Chi Minh City

PROJECT
